About Gabriel Resources Ltd (“Gabriel”)/ Rosia Montana Gold Corporation (“RMGC”)

Gabriel is a Canadian-listed resource company engaged in the exploration and development of mineral properties in Romania and is presently in the permitting stage and preparing to develop its 80.46%-owned Rosia Montana gold project (the “Project”). Gabriel is committed to responsible mining and sustainable development in the communities in which it operates while also observing all Romanian and European Union environmental laws. The Project in Rosia Montana is estimated to bring US\$19 billion to Romania as direct and indirect investment according to analysis from British-based Oxford Policy Management. The Project will generate thousands of jobs and will help to preserve important historic buildings, as well as local cultural heritage. For more information please visit the Company's websites at www.gabrielresources.com and www.rmgc.ro.
