### About Gabriel

Gabriel is a Canadian-listed resource company engaged in the exploration and development of mineral properties in Romania. The Company is presently in the permitting stage and preparing to develop its 80.69%-owned Rosia Montana Gold and Silver project. ("Project"). Gabriel is committed to responsible mining and sustainable development in the communities in which it operates. The Project is anticipated to bring US\$19 billion to Romania as potential direct and indirect contribution to GDP according to 2010 estimates from UK-based Oxford Policy Management. The Project will generate thousands of jobs while observing all EU environmental laws and preserving many important historic buildings, together with local and national cultural heritage in Romania.
