Arbitration Update – Submission of Reply

Gabriel Resources Ltd. (“Gabriel” or the “Company”) announces that it has submitted its Reply and counter-memorial on jurisdiction (“Reply”) in its arbitration against Romania under the rules of the International Centre for Settlement of Investment Disputes (“ICSID”) part of the World Bank (“ICSID Arbitration”).

The Reply, Gabriel’s second substantive written pleading in the ICSID Arbitration case, sets out a comprehensive rebuttal of the legal and factual contentions raised in the Counter-Memorial filed by Romania on February 22, 2018 (“Counter-Memorial”) and includes Gabriel’s response to Romania’s supplemental preliminary objection to the jurisdiction of the tribunal (“Tribunal”) appointed to adjudicate the ICSID Arbitration (“Jurisdictional Challenge”).

The Reply was filed in accordance with established procedural orders (“Procedural Orders”) of the Tribunal, including a recent revision to the calendar that now includes the following amended dates:

- Comments on submissions by non-disputing parties (if any are admitted by the Tribunal) by January 18, 2019
- Romania to file its response to the Reply (“Rejoinder”) and its reply on the Jurisdictional Challenge by May 10, 2019
- Gabriel to file its rejoinder with regard to the Jurisdictional Challenge by June 14, 2019
- A hearing on jurisdiction and the merits of the claim before the Tribunal from December 2 to 13, 2019.

A redacted version of the Reply will be published on the ICSID website in due course following the completion of a process prescribed by certain Procedural Orders.

Dragos Tanase, Gabriel’s President and Chief Executive Officer, stated:

“The Roşia Montană Project met all of the applicable requirements for the issuance of the key environmental permit, yet ultimately the Romanian Government unlawfully blocked the permitting process. The Reply highlights the abundant, contemporaneous evidence establishing Romania’s liability-creating conduct, which its Counter-Memorial fails to rebut, and unequivocally substantiates the factual and legal grounds of our claim, detailed in Gabriel’s June 2017 Memorial that assessed the damages caused by Romania, with accrued interest, at US\$4.4 billion. Given the passage of time since the Memorial, and interest continuing to accrue on the damages, that total has now risen to US\$4.75 billion.”

About Gabriel

Gabriel is a Canadian resource company listed on the TSX Venture Exchange. The Company's principal focus has been the exploration and development of the Roşia Montană gold and silver project in Romania ("Roşia Montană Project"). The Roşia Montană Project, one of the largest undeveloped gold deposits in Europe, is situated in the South Apuseni Mountains of Transylvania, Romania, an historic and prolific mining district that since pre-Roman times has been mined intermittently for over 2,000 years. The exploitation license ("License") for the Roşia Montană Project is held by Roşia Montană Gold Corporation S.A., a Romanian company in which Gabriel owns an 80.69% equity interest, with the 19.31% balance held by Minvest Roşia Montană S.A., a Romanian state-owned mining company. It is anticipated that the Roşia Montană Project would bring over US\$24 billion (at US\$1,200/oz gold) to Romania as potential direct and indirect contribution to GDP and generate thousands of employment opportunities.

Upon obtaining the License in June 1999, the Group (as defined below) focused substantially all of their management and financial resources on the exploration, feasibility and subsequent development of the Roşia Montană Project. Despite the Company's fulfilment of its legal obligations and its development of the Roşia Montană Project as a high-quality, sustainable and environmentally-responsible mining project, using best available techniques, Romania has blocked and prevented implementation of the Roşia Montană Project without due process and without compensation. Accordingly, the Company's current core focus is the ICSID Arbitration. For more information please visit the Company's website at www.gabrielresources.com.
